## Hazlitts Account Origin Descent William Carew

***the man who wrote on the manuscripts in the british museum*** - and publishing material on his family history. his the hazlitts, an account of their origin and descent (edinburgh, 1911) was to devote a whole chapter to the reynells,^ but this makes no allusion to their carolingian descent and there is no evidence that he ever replied to richards's letter. if this was the case he showed commendable prudence.
